Contractor Licensing Agreement

The following provisions are a Licensing Agreement with respect to the North Central Texas Council of Governments' (NCTCOG) 2009 digital aerial photography between:

_____ and _____
Contractor **Participating Entity**

Unless otherwise agreed to in writing to either NCTCOG or the Entity, only the indicated contractor is authorized use of the NCTCOG data product. A contractor shall be deemed authorized to use the data products by the Entity or NCTCOG if such use is incidental to a larger relationship between the contractor and the Entity. The data shall be used for purposes no greater than reasonably needed to achieve the objectives of an actual project undertaken in connection with that relationship. The contractor must agree in writing to be bound by the provisions of this Agreement.

The contractor also agrees to return all NCTCOG data back to the Entity, or to destroy said data, after completion of the project. This data may not be used for other projects or presentations unless written permission is obtained from either the Entity or NCTCOG.

Execution of this Agreement signifies that the contractor understands the restrictions of use for the NCTCOG data product, as well as the return of all said data, or destruction of same, upon completion of work for the Entity. It is the responsibility of the Entity to supply the data to the contractor. However, if requested, NCTCOG will provide copies of the data to the contractor for a fee of \$100.00 per CD or \$250.00 per DVD, payable by the requesting Entity.
